30
BEST
RESTAURANTS
IN LITHUANIA

At DEMO, we believe winemaking is an artistic craft rooted in symbiosis with nature – a philosophy that runs through everything we do.

Each bottle on our list is chosen with care: we search out producers who respect and nurture the environment that surrounds them. In doing so, we honour the delicate balance between people and nature.

Our wine selection mirrors our culinary approach – thoughtful, creative, and deeply connected to our surroundings. We take pride in showcasing expressions that reflect each region's character, brought to life by hands that value ethical stewardship just as much as the craft.

If you need any help or assistance in choosing the right beverage, please do not hesitate to ask our team. Together, we will discover the perfect beverage to elevate this special evening at DEMO.

PROXY

A proxy is a non-alcoholic drink inspired by wine — crafted with the same balance, structure, and complexity, but without fermentation or alcohol. Our proxies are blended from teas, fruit infusions, herbs, and acids to evoke the depth and gastronomic character of fine wine, offering an adult alternative for thoughtful pairing and mindful enjoyment.
